# ABOUT US

**Al Dammam Elect. & Sant. Ware TRDG L.L.C.** has proudly served customers since 1999, standing as a trusted name in the UAE's hardware, electronics, and sanitary ware industry. With over two decades of experience, we have built a strong reputation for quality, reliability, and unmatched customer service.

Our company was founded with a clear mission: to provide top-grade products that meet the evolving needs of construction professionals, contractors, businesses, and individual customers. From essential electrical fittings and durable hardware tools to innovative sanitary solutions, we offer a wide range of products sourced from reputable manufacturers worldwide.

At Al Dammam, we believe in long-term relationships built on trust, transparency, and consistency. Our knowledgeable team is committed to delivering personalized service and expert guidance to ensure our clients always find the right products for their projects.

With a robust inventory, competitive pricing, and a commitment to excellence, we continue to be the preferred choice for clients across the region. Whether you are building, renovating, or maintaining, Al Dammam Elect. & Sant. Ware TRDG L.L.C. is your dependable partner for all your hardware, electrical, and sanitary ware needs.

# GROOVED PIPE FITTINGS & COUPLINGS

Our grooved pipe fittings and couplings are engineered for fast installation, secure connections, and long-lasting performance in industrial piping systems. Designed for high-pressure applications, they provide a safe and efficient way to join pipes without welding.

## Key Features

### High-Strength Ductile Iron Construction

Built to handle demanding industrial environments.

### Secure Leak-Proof Seal

EPDM/NBR gasket ensures tight sealing for water, air, and fire systems.

### Fast & Easy Installation

Reduces labor time and eliminates welding, threading, and flanging.

### Corrosion Resistant Coating

Durable red coating provides excellent protection and long service life.

Get the **Perfect Fit** for Your **Piping System**

# PU FOAM EXTRA

The PU Foam Sealant is a high-performance, single-component expanding foam designed for filling gaps, sealing joints, and thermal & acoustic insulation. It offers excellent adhesion, fast curing, and long-lasting durability for both indoor and outdoor applications.

## High Expansion Formula

Efficiently fills large gaps, cracks, and cavities.

## Strong Thermal & Acoustic Insulation

Reduces heat loss and blocks sound penetration.

## Quick Curing Time

Forms a firm structure within minutes.
